Midwest Vegetable Production Guide for Commercial Growers

2020

Midwest Vegetable Production Guide for Commercial Growers

The 2020 edition of the Midwest Vegetable Production Guide for Commercial Growers is a collaboration of land-grant universities from eight states. It provides vegetable production information that is valid in the participating states for the current year. This includes fertility, variety, cultural, and pest management recommendations. Many updates have been made to create a more user friendly experience.

Midwest Fruit Pest Management Guide 2019-2020

Midwest Fruit Pest Management Guide

This guide provides pest management recommendations for commercial tree fruit, small fruit, and grape producers in Arkansas, Illinois, Indiana, Iowa, Kansas, Kentucky, Minnesota, Missouri, Nebraska, Ohio, Oklahoma, West Virginia, and Wisconsin. These recommendations have been formulated to provide up-to-date information on pesticides and their application. This guide combines and replaces the *Midwest Tree Fruit Spray Guide* (PM 1375) and the *Midwest Small Fruit and Grape Spray Guide* (PM 1282) into one easy to use reference manual.
